Learning Outcomes

Upon completion of this course students will be able to

- assess the nature and scope of business problems.
- conceptualize and determine alternative approaches for solving these problems.
- apply basic research methods and the related computer tools.
- formulate a business problem that meets the needs of a business client and the academic requirements of the course.
- prepare a research project proposal that meets the needs of the department and a business client.
- submit a research ethics application that meets college standards.
- demonstrate the consulting skills necessary for developing an applied research project proposal and final research report.

This course will cover

| | |
|---|------|
| Final Projects | 5% |
| Project Decision Statement | 5% |
| Research Objectives & Bibliography | 10% |
| Research Proposal | 20% |
| Research Ethics Board Submission | 8% |
| Final Report Chapter 2 | 10% |
| | 12% |
| | 10% |
| | 20% |
| | 100% |
| BUAD 492, students must attain a minimum grade of 76% on the proposal and a grade of 68% on the final exam. | |

| |
|--|
| <p>Potential Projects (5%) You will evaluate at least three potential research projects that you could pursue in BUAD 491 and 492. Evaluation criteria will be pre-established in class with your professors.</p> |
| <p>Project Decision Statement (5%) You will formulate a statement of your research problem with your client. In your client, you will develop four to six research objectives for your study.</p> |
| <p>Decision Statement, Research Objectives & Annotated Bibliography (10%) You will find and document secondary information sources, which will assist in the development of your primary research objectives. This assignment is very relevant to the quality of your proposal and your project report chapter 2.</p> |
| <p>Research Proposal (20%) You are required to submit a formal Research Project Proposal in order to complete the course. Research proposal requirements for this course are detailed in the "Proposal Requirements" handout posted on Moodle. You must attain a minimum of 76 percent in this assignment to qualify for the Business Research Project course (BUAD 492).</p> |
| <p>Research Ethics Board (REB) Submission (8%) You must complete an ethics "on-line" certification at www.pre.ethics.gc.ca Click 'English' and 'Post-Secondary Education'. You must print out and hand in your certificate. You are to complete Form 7 (Student Application) for the primary research component of your proposal. The student application must be strictly followed. Form 7, its guidelines and instructions are posted in Moodle.</p> |

Notes (con't)**Classroom Contribution (10%)**

Your classroom contribution mark will be assigned based on class attendance and on your participation during large and small group sessions. The quality of your contribution will be evaluated throughout the semester.

Final Exam (20%)

Your final exam will be based on your text, as outlined in the pre-readings. You must achieve a minimum of 68 percent in this evaluation component to qualify for BUAD 492.

To qualify for BUAD 492, students must attain a minimum grade of 76% on their research proposal and a grade of 68% on the final exam.
