### Evaluation Procedure

Term Work (Individual Assignments)	10%
Exams	60%
Group Project	30%
<b>Total</b>	<b>100%</b>

### Notes

#### Term Work

Term work includes individual and paired assignments specific to the topics under discussion. Examples may include quizzes, papers, journals, blog posts, current events, simulations and presentations.

#### Term Project

The term project provides a group of students (2-4, depending on class size) with the opportunity to analyze a company's current digital marketing strategy, and to provide recommendations for the future direction or expansion of their digital campaigns.

#### Exams

There are two mid-term exams worth 15% each, and one final exam weighted at 30%.

**Students must achieve an average of 50% aggregate (all three exams) in order to pass this course**
