Graphic Design as recommended for approval

**Proposal Rationale**

Introduction to Graphic Design is a module of the Graphic Design Fundamentals Micro-

Okanagan College does not currently offer specific training in graphic design outside of diploma offerings. This Graphic Design Essentials micro-credential will provide industry relevant skills training (upskilling and reskilling) for learners in the OC region communities.

Graphic design involves using both graphics and text to convey a concept or idea. This industry includes a myriad of activities including corporate identity/branding, advertising, and promotions, print production, and professional report creation. Graphic designers create visual forms of
